

After School Acting Workshop with Christiana Caprarelli!

Mrs. Caprarelli graduated from the Hartt School Conservatory with a BFA in Musical Theatre in 2011. After traveling the world performing both overseas and in the US, she is so excited to be back home in RI sharing her talents both in performing as well as teaching. During this workshop, the students will have the opportunity to build their creative expressions through ensemble building, improv, character development, and script writing, as well as learn about audition technique and voice work. Your child will learn the importance of allowing their personality to shine, all while working as a team.
