

IMMACULATE CONCEPTION CATHOLIC REGIONAL SCHOOL

SUMMER E.X.P.L.O.R.E.

Exciting Programs, Learning Opportunities, and Rewarding Experiences

June 29 – July 31, 2020

Students and their friends from area schools are once again invited to "E.X.P.L.O.R.E." (Exciting Programs, Learning Opportunities, and Rewarding Experiences) at Immaculate Conception Catholic Regional School. For five consecutive weeks, students in three educational learning communities (Primary, Junior, and the Middle School) will experience the freedom to discover and undertake one-of-a-kind programs focused on enhancing confidence, building leadership skills, inspiring creativity, or serving the greater community - *just to name a few*. Field trips, hands-on workshops, and awesome surprises fill every week and almost every program! Given an overwhelming response to last year and reasonable tuition costs, we are expecting spaces to fill up very fast. Discounts are available for those who sign up early before April 12, 2019!

From the Director

Welcome to summer at Immaculate Conception Catholic Regional School! We are very proud to offer a series of programs which engage children in challenging and exciting educational opportunities beyond the academic year.

Since its inception in 2012, Summer E.X.P.L.O.R.E. has welcomed over 1,400 registrations for 55 dynamic programs including, but not limited to, the performing arts, visual arts, technology, science, athletics, and Christian community service. In addition, the series has featured 90 field trip experiences, 15 academic showcases, 17 musical stage performances, 45 professional staff members, 30 volunteers, numerous guests, many special surprises - *and countless memories!*

This will be our 9th summer implementing the E.X.P.L.O.R.E program at Immaculate Conception Catholic Regional School. There have been so many great memories made over the years and we are blessed to have the staff that we do. Every summer our goal is to make this one of the best programs around. We try to create high performing camps for children of all ages to have an amazing experience.

The success of our program over the years can truly be credited to a highly qualified professional team that is prepared to meet the challenges and rewards involved in 21st century Catholic education today. I invite you to learn more about the E.X.P.L.O.R.E. program in the pages that follow and discover for yourself why so many families celebrate summer with us year after year!

Sincerely,

Mr. Mark McPhillips

Director

Program Offerings
